LIFETIME WORKMANSHIP WARRANTY

All products will be installed according to manufacturer specifications and will not leak for the life of those products. Lifetime Workmanship Warranty is in effect upon payment in full of contract. Any unpaid funds as detailed in the client contract payment terms will result in warranty being null and void. Heritage Construction Co., LLC Warrants to the homeowner that the roof installation will be free of defects in workmanship. Should a failure occur due to a workmanship defect that results in leakage or shingle loss, Heritage Construction Co., LLC will repair such problems by supplying labor for the life of your shingle as determined by manufacturer standards or as long as you own your home (whichever comes first.)

Heritage is not responsible for any manufacturer product defects. This is covered under the Manufacturer Warranty and will need to be handled directly with the manufacturer.

Warranty items are to be repaired only by Heritage Construction Co., LLC and their assigned representatives. The customer must notify Heritage Construction Co., LLC within 48 hours after the problem occurs. Heritage Construction Co., LLC will not be liable for roof or structural damage resulting from normal wear and tear and/or acts of God including but not limited to ice damage, hailstorms, foreign objects or hurricane force wind and rain. The duration of the manufacturer's warranty is determined by the type of product being installed and the lifetime workmanship warranty is for the same duration as determined by the manufacturer. In addition, any fungus, bacteria, infestation, UV degradation, rust or corrosion resulting in metal or wood decay will not be covered. This warranty is in lieu of all other express and implied warranties and is limited to the duration of this warranty. Heritage Construction Co., LLC shall not be liable for any incidental, consequential or special damages of any form.
